All

**Sub: Amendment/Addendum no. 3 in DMRC tender no. DMRC/CO/ST/PUR/CMRL/DM/04 for Design, Manufacturing, supply, Installation & Commissioning of Surface Wheel Lathe due on 08/06/2011.**

Some of the prospective bidders had sought some clarification against the above subject tender, the details of the clarifications sought by the bidders and clarification are as under:

SNo.	Clarifications sought by bidder	DMRC remarks
(i)	Clause No. 1.4.2.7 of Schedule of Requirement, it is mentioned that " <i>The time required for pre-measurement shall not be more than 2 minutes. The time required for post measurement shall not exceed 2 minutes.</i> " However the cycle time of complete wheel machining inclusive of pre & post measurement / productivity has not been mentioned anywhere in the specification. Clarify the complete cycle time for one wheel set from floor to floor including time required for machining/ pre and post measurement of the total wheel set.	<b><u>"The installation shall be designed for simultaneous machining of both the wheels and axle-mounted brake disc of a wheel set in 35 minutes in a single cut, or in 50 minutes in two cuts."</u></b>

All other terms and conditions of the tender document will remain same. This is issued without prejudice to earlier terms and conditions of the contract.

  
(Navneet Kumar)
