1.1.3 QUALIFICATION CRITERIA:

1.1.3.1 Eligible Applicants:

i. The tenders for this contract will be considered only from those tenderers (proprietorship firms, partnerships firms, companies, corporations, consortia or joint ventures) who meet requisite eligibility criteria prescribed in the sub-clauses of Clause 1.1.3 of NIT. In the case of a JV or Consortium, all members of the Group shall be jointly and severally liable for the performance of whole contract.

ii. (a) A non-Indian firm is permitted to tender only in a joint venture or consortium agreement either with an Indian firm having minimum participation interest of 26% or their wholly owned Indian subsidiary registered in India under Companies Act-1956 with minimum 26% participation.

(b) A tenderer shall submit only one bid, either individually as a tenderer or as a partner of a JV/Consortium. A tenderer who submits or participates in more than one bid will cause all of the proposals in which the tenderer has participated either as sole tenderer or member of JV/consortium will be disqualified. No tenderer can be included as subcontractor while submitting a bid individually or as a partner of a JV/consortium in the same bidding process subsequently or at the tender stage. A tenderer, if acting in the capacity of subcontractor in any bid may however participate in more than one bid, but only in the capacity as subcontractor.

iii. Tenderers shall not have a conflict of interest. Tenderers found to have a conflict of interest shall be disqualified. Tenderers shall be considered to have a conflict of interest with one or more parties in this bidding process, if:

(a) a tenderer has been engaged by the Employer to provide consulting services for the preparation related to procurement for implementation of the project;

(b) a tenderer’s associate(s)/affiliate(s) (inclusive of parent firms) mentioned in subparagraph (a) above; or

(c) a tenderer lends, or temporarily seconds its personnel to firms or organisations which are engaged in consulting services for the preparation related to procurement for implementation of the project, if the personnel would be involved in any capacity on the same project.

iv. A firm, who has purchased the tender document in their name, can submit the tender either as individual firm or as partner of a joint venture/consortium. However, the lead partner in case of JV/consortium shall be a substantial partner and the one who has experience of Detailed Design Consultancy of Civil (Structural) and/or Architecture and/or Building Services (including E&M works) for viaduct and elevated station(s) of Metro Rail / Light Rail / Railways.

v. Any Central / State government department / public sector undertaking / other government entity or local body must not have banned business with the tenderer (any member in case of JV) as on the date of tender submission. Also no contract of the tenderer should have been rescinded / terminated by DMRC after award during last 5 years due to non-performance of the tenderer or any of JV/Consortium members. The tenderer should submit undertaking to this effect in Appendix-6 of Form of Tender.
vi. Tenderer (any member in case of JV/consortium) must not have paid liquidated damages of 10% (or more) of the contract value in a contract due to delay or penalty of 10% (or more) of the contract value due to any other reason during last five years. The tenderer should submit undertaking to this effect in Appendix-14 of Form of Tender.

vii. Tenderer (any member in case of JV/consortium) must not have suffered bankruptcy/insolvency during the last 5 years. The tenderer should submit undertaking to this effect in Appendix-12A of Form of Tender.

viii. LEAD PARTNER/NON SUBSTANTIAL PARTNERS/CHANGE IN JV/CONSORTIUM

a) Lead partner must have a minimum of 26% participation in the JV/Consortium.

b) Partners having less than 26% participation will be termed as non-substantial partner and will not be considered for evaluation which means that their financial soundness and work experience shall not be considered for evaluation of JV/Consortium.

c) In case of JV/Consortium, change in constitution or percentage participation shall not be permitted at any stage after their submission of application otherwise the applicant shall be treated as non-responsive.

ix. Any Central / State government department / public sector undertaking / other government entities or local body must not have banned business with the tenderer (any member in case of JV) as on the date of tender submission. Also no work of the tenderer must have been rescinded / terminated by DMRC after award of contract during last 10 years due to non-performance of the tenderer. The tenderer should submit undertaking to this effect in Appendix-6 of Form of Tender.

x. JV/Consortium: Consequences for deviation from JV/MOU

The tenderer, in case of JV/Consortium, shall clearly and unambiguously define the role and responsibilities for each substantial/non-substantial partner in the JV/MOU submitted vide foot note (d) of Appendix 3 of Form of Tender, providing clearly that any abrogation/subsequent re-assignment of any responsibility by any substantive/non-substantive partner of JV/Consortium in favour of other JV/Consortium partner (without written approval of Employer) or any change in constitution of partners of JV/Consortium from the one given in JV/MOU at tender stage, will be treated, as ‘breach of contract condition’ and/or ‘misrepresentation of facts’ (as the case may be), and acted accordingly.

The Employer in such cases, may in its sole discretion rescind the contract and/or take appropriate action against any member(s) for failure in tender obligation to declare a contractor ineligible for award of any tender in DMRC or take action to terminate the contract in part or whole under Clause 18 of GCC as the situation may demand and recover the cost/damages as provided in contract besides forfeiting the performance and other guaranties.

1.1.3.2 Minimum Eligibility Criteria:

A. Work Experience: The tenderers will be qualified only if they have completed work(s) of Detail Design Consultancy (DDC) during last seven years ending 30.06.2015 as given below:

- At least one work of Detail Design Consultancy of viaduct and elevated stations for Metro Rail / Light Rail / Railways of value INR 3.29 crores.

   OR

- Two works of Detail Design Consultancy of viaduct and elevated stations for Metro Rail / Light Rail / Railways each of value INR 2.06 crores or more.
Contract CCDD -14: Engagement of Detail Design Consultant (DDC) for Civil, Architectural and Building Services including E&M works for Noida City Center– Noida Sector – 62 Elevated Corridor.

OR

- Three works of Detail Design Consultancy of viaduct and elevated stations for Metro Rail / Light Rail / Railways each of value INR 1.64 crores or more.

If the above qualifying work(s) has / have been done by the foreign partner of JV and the work(s) was/were done in the country of the foreign partner then in addition to this, the foreign partner must have done works at least equal to INR 1.64 crores outside the country of the foreign partner.

**Detail Design Consultancy (DDC) work means** work pertaining to design of Civil (Structural), Architectural and Building Services including E&M works of viaduct and elevated station(s) for Metro Rail / Light Rail / Railways corridor/section. The requirement of designing of structural, architectural and building-services including E&M works may be satisfied by any of the member(s) of JV/Consortium or individually by the tenderer bidding as an individual entity. For the purpose of structural design, the proof checking will be treated as equal to the structural design of structures.

**Notes:**

- The tenderer shall submit details of works executed by them in the Performa prescribed in Appendix-13 of FOT for the works to be considered for qualification of work experience criteria. Documentary proof such as completion certificate(s) from client clearly indicating the nature/scope of work, actual completion cost and actual date of completion for such work should be submitted. The offers submitted without this documentary proof will not be evaluated. In case the work is executed for private client, copy of work order, bill of quantities, bill wise details of payment received certified by C.A., T.D.S certificates for all payments received and copy of final/last bill paid by client shall also be submitted.

- Value of successfully completed portion of any ongoing work up to 30.06.2015 will also be considered for qualification of work experience criteria.

- For completed works, value of work done shall be updated to 30.06.2015 price level assuming 5% inflation for Indian Rupees every year and 2% for foreign currency portions per year. The exchange rate of foreign currency shall be applicable 28 days before the submission date of tender.

- In case of joint venture / Consortium, full value of the work, if done by the same joint venture shall be considered. However, if the qualifying work(s) were done by them in JV/Consortium having different constituents, then the value of work as per their percentage participation in such JV/Consortium shall be considered.

**B. Financial Standing:** The tenderers will be qualified only if they have minimum financial capabilities as below:

(i) **T1 – Liquidity:** It is necessary that the firm can withstand cash flow that the contract will require until payments received from the Employer. Liquidity therefore becomes an important consideration.

This shall be seen from the balance sheets and/or from the banking reference. Net current assets and/or documents including banking reference, should show that the applicant has access to or has available liquid assets, lines of credit and other financial means to meet cash flow of INR 0.23 crores for this contract, net of applicant's commitments for other Contracts. Banking reference should contain in clear terms the amount that bank will be in a position to lend for this work to the applicant/member of the Joint Venture/Consortium. In case the Net Current Assets (as seen from the Balance Sheets) are negative, only the Banking references will be considered.
Otherwise the aggregate of the Net Current Assets and submitted Banking references will be considered for working out the Liquidity.

The banking reference should be from a Scheduled Bank in India or (in case of foreign parties) from an international bank of repute acceptable to DMRC as per standard proforma provided in ITT as Annexure-4 and it should not be more than 03 months old as on date of submission of bids.

In Case of JV- Requirement of liquidity is to be distributed between members as per their percentage participation and every member should satisfy the minimum requirement.

Example: Let member-1 has percentage participation=M and member-2 has percentage participation=N. If minimum liquidity required is ‘W’ then liquidity of member-1 ≥ \( \frac{W M}{100} \)

and liquidity of member-2 ≥ \( \frac{W N}{100} \).

(ii) **T2 - Profitability**: Profit before Tax should be Positive in at least 2 (two) year, out of the last five audited financial years.

In Case of JV: The profitability of only lead member shall be evaluated.

(iii) **T3 - Net Worth**: Net Worth of tenderer during last audited financial year should be ≥ INR 0.33 crore.

In Case of JV: Net worth will be based on the percentage participation of each Member.

Example: Let Member-1 has percentage participation = M and Member-2 has =N. Let the Net worth of Member-1 is A and that of Member-2 is B, then the Net worth of JV will be

\[ \text{Net Worth of JV} = \frac{AM+BN}{100} \]

(iv) **T4 - Annual Turnover**: The average annual turnover from consultancy works of last five financial years should be ≥ INR 1.32 crores.

The average annual turnover of JV will be based on percentage participation of each member.

Example: Let Member-1 has percentage participation = M and Member - 2 has =N. Let the average annual turnover of Member-1 is ‘A’ and that of Member-2 is ‘B’, then the average annual turnover of JV will be

\[ \text{Average Annual Turnover of JV} = \frac{AM+BN}{100} \]

Notes:

- Financial data for latest last five audited financial years has to be submitted by the tenderer in Appendix-12 of FOT along with audited balance sheets. The financial data in the prescribed format shall be certified by Chartered Accountant with his stamp and signature in original. In case audited balance sheet of the last financial year is not made available by the bidder, he has to submit an affidavit certifying that ‘the balance sheet has actually not been audited so far’. In such a case the financial data of previous ‘4’ audited financial years will be taken into consideration for evaluation. If audited balance...
Contract CCDD -14: Engagement of Detail Design Consultant (DDC) for Civil, Architectural and Building Services including E&M works for Noida City Center– Noida Sector – 62 Elevated Corridor.

sheet of any year other than the last year is not submitted, the tender may be considered as non-responsive.

- Where a work is undertaken by a group, only that portion of the contract which is undertaken by the concerned applicant/member should be indicated and the remaining done by the other members of the group be excluded. This is to be substantiated with documentary evidence.

C. Bid Capacity Criteria:

Bid Capacity: The tenderers will be qualified only if their available bid capacity is more than the approximate cost of work as per NIT. Available bid capacity will be calculated based on the following formula:

Available Bid Capacity = 2*A*N – B

Where,

A = Maximum of the value of Consultancy works executed in any one year during the last five financial years (updated to 30.06.2015 price level assuming 5% inflation for Indian Rupees every year and 2% for foreign currency portions per year).

N = No. of years prescribed for completion of the work

B = Value of existing commitments (as on 30.06.2015) for on-going Consultancy works during period of 30 months w.e.f.01.07.2015.

Notes:

- Financial data for latest last five financial years has to be submitted by the tenderer in Appendix-10 of FOT along with audited financial statements. The financial data in the prescribed format shall be certified by the Chartered Accountant with his stamp and signature in original.

- Value of existing commitments for on-going Consultancy works during period of 30 months w.e.f. 01.07.2015 has to be submitted by the tenderer in Appendix-11 of FOT. These data shall be certified by the Chartered Accountant with his stamp and signature in original.

- In the case of a group, the above formula will be applied to each member to the extent of his proposed participation in the execution of the work. If the proposed % participation is not mentioned then equal participation will be assumed.

Example for calculation of bid capacity in case of JV / Group

Suppose there are ‘P’ and ‘Q’ members of the JV / group with their participation in the JV / group as 70% and 30% respectively and available bid capacity of these members as per above formula individually works out ‘X’ and ‘Y’ respectively, then Bid Capacity of JV / group shall be as under:

Bid Capacity of the JV / group = 0.7X + 0.3Y
D. Additional Requirements:

(i) The Tenderer shall have to comply following requirements to qualify:

- The tenderer shall submit an organisation chart together with clear description of the responsibilities of each member within the overall work programme.

- The form of organization structure is prescribed in fig. 1 below.
**Contract CCDD -14:** Engagement of Detail Design Consultant (DDC) for Civil, Architectural and Building Services including E&M works for Noida City Center– Noida Sector – 62 Elevated Corridor.

**“Team Leader” may be an independent professional or any of the ‘Heads’ may also act as ‘Team Leader’ provided he meets the criteria of ‘Team Leader’.”
```
The DDC team shall be headed by a ‘Team Leader’ having experience not less than 15 years of relevant experience in the concerned field(s) and have independently handled minimum 02 contracts (For a period not less than 02 years) of similar scope as team leader (sufficient proof shall be submitted to substantiate the experience). The team leader will be supported by following teams.

Under team leader, ‘Heads’ of expertise team in each area of discipline (i.e. Structures, Architecture and Building Services including E&M works) shall be deployed who must have minimum experience of 12 years of relevant experience in the concerned field and have handled minimum 01 contracts as Head or Team Leader of similar scope (sufficient proof shall be submitted to substantiate the qualification and experience). Each expert shall have Masters Degree in relevant field.

Under heads of expert team, ‘Experts’ in each area of discipline (i.e. Structures, Architecture and Building Services including E&M works) shall be deployed who must have minimum experience of 08 years of relevant experience in the concerned field and have handled minimum 01 project of similar scope (sufficient proof shall be submitted to substantiate the qualification and experience). Each expert shall have Masters Degree in relevant field.

Under experts of each area of discipline, ‘Key Members’ shall be deployed who must have minimum experience of 03 years of relevant experience to handle projects of similar scope (sufficient proof shall be submitted to substantiate the qualification and experience). Each key members shall be Graduate in relevant field.

The technical proposal will be evaluated based on the capabilities /technical strength of staff proposed to be deployed.

Please note carefully the requirements for submitting tender, and the date and time for submittal.

1.1.3.3 The tender submission of tenderers, who do not qualify the minimum eligibility criteria & bid capacity criteria stipulated in the clauses 1.1.3.2 A, B, C & D above, shall not be considered for further evaluation and therefore rejected. The mere fact that the tenderer is qualified as mentioned in sub clause 1.1.3.2 shall not imply that his bid shall automatically be accepted. The same should contain all technical data as required for consideration of tender prescribed in the ITT.

1.4 The descriptive and detailed scope is defined in Scope of Works (Volume 2)

1.5 Tender Documents comprise of following documents:

**Volume 1**
- Notice Inviting Tender (NIT)
- Instructions to Tenderer (ITT) including annexures
- Form of Tender (FOT) including appendices
- General Conditions of Contract (GCC)
- Special Condition of Contract (SCC)

**Volume 2**
- Scope of Work
Volume 3
- Financial Package (Part –I & II)

Volume 4
:Reference Documents
- Part –I :Design Basis Report of Viaduct
- Part –II :Design Basis Report of Station
- Part-III: General Planning Criteria
- Part-IV: Building Services
- Part –V: Interface Scheme Management

Volume 5
- Tender Drawings

Please note carefully the requirements for submitting tenders, and the date and time for submittal.

1.6 The tenderers may obtain further information/ clarification, if any, in respect of these tender documents from the office of Executive Director/Contracts, Delhi Metro Rail Corporation, ‘A’ Wing, 5th floor, Metro Bhawan, Fire Brigade Lane, Barakhamba Road, New Delhi –110 001.

1.7 The intending tenderers must be registered on e-tendering portal www.tenderwizard.com/DMRC. Those who are not registered on the e-tendering portal shall be required to get registered beforehand. If needed they can be imparted training on ‘online tendering process’. After registration, the tenderer will get user id and password. On login, tenderer can participate in tendering process and can witness various activities of the process.

1.8 The authorized signatory of intending tenderer, as per Power of Attorney (POA), must have valid class-III digital signature. The tender document can only be downloaded or uploaded using Class-III digital signature of the authorized signatory.

1.9 Tender submissions will be made online after uploading the mandatory scanned documents towards cost of tender documents such as Demand Draft or Pay Order or Banker’s Cheque from a Scheduled commercial bank based in India and towards Tender Security such as Bank Guarantee or Demand Draft or Pay Order or Banker’s Cheque from a Scheduled commercial bank based in India and other documents as stated in the tender document.

1.10 Late tenders (received after date and time of submission of bid) shall not be accepted under any circumstances.

1.11 Tenders shall be valid for a period of 180 days (both days inclusive i.e. the date of submission of tender and the last date of period of validity of the tender) from the date of submission of Tenders and shall be accompanied with a tender security of the requisite amount as per Clause 4.0 of ITT.

1.12 DMRC reserves the right to accept or reject any or all proposals without assigning any reasons. No tenderer shall have any cause of action or claim against the DMRC for rejection of his proposal.
