SECTION 2
SCOPE OF WORK

2.1 Brief Scope

The contractor will execute the work i.e. "Refilling of Argonite Gas cylinders (300 Bar, 80 Ltr) in Airport Line".

1. Location of work shall be Dwarka Sec-21 station of Airport Express Line of DMRC.

2. Dismantling, refilling, hydro testing, replacement of defective parts, seal & nuts etc. and refitting of the cylinders including transportation of cylinders along with manpower, material & tools/plants is within the scope of contractor. DMRC does not have PESO certificate for storage of Argonite gas cylinder therefore Contractor will have to manage on its own should a need arises for PESO certificate during transportation or testing.

3. Certificates (hydrostatic stretch test certificate etc) shall be submitted by the contractor from a CCOE approved agency.

4. Purity of Argonite shall be 99.9% (Argon – 50% and Nitrogen – 50%). Argonite cylinder shall be filled at a pressure of 300 bars, pressure (22.7 m3) 32.1kg class 2.2. Contractor has to produce certificate for the purity of gas from competent agency.

2.2 ENTRY/GATE PASS, WORK PERMITS & SAFETY REGULATIONS:

2.2.1 ENTRY PERMISSIONS:

Contractor is required to obtain the permissions from DMRC for their Manpower, Machines & Materials.

2.2.2 GATE PASS:

To bring materials/equipment's/tools/tackles etc., inside the DMRC, the CONTRACTOR has to produce challan / proper documents to the DMRC's personnel. The materials shall be checked thoroughly by the Owner personnel at gate and recorded in their register before allowing any materials to bring inside the Plant/platform by CONTRACTOR/his representative. It is Contractor's responsibility to see that the recorded entry No., Date, Signature of Owner's authorized representative personnel with stamp are there on the challan / supporting documents before taking any materials inside the plant. In addition to above, entry of the material will be permitted only during the stipulated working hour, and more so, if consignee is available to receive the said material. To take Contractor's materials out of the DMRC, the contractor has to apply with specific purpose/reasons to the ENGINEER-IN-CHARGE, attaching challans / supporting documents signed by Owner's personnel at gate during entry.

2.2.3 WORK PERMIT:

If the work is required to be done at DMRC premises, then it is required to get the work permits from the concerned authorities of DMRC.

2.2.4 HOT WORK:

Hot work permits are to be obtained from DMRC for all the jobs which are capable of generating flame, spark, heat, etc., if required.

1) Gas cutting
2) Grinding
3) Welding
4) Hacksaw cutting and drilling.

2.3 Manpower deployment

2.3.1 The contractor shall deploy the manpower in consultation with Engineer in-charge and carry out the activities in hygienic manner.

2.3.2 The manpower can also be deployed during OFF days/holidays/night hours as per requirements for which nothing shall be paid extra.

2.3.3 All the work associated with finishing complete in all respect shall be carried out by contractor for which nothing shall be paid extra.

2.3.4 DMRC is an ISO-14001 & OHSAS 18001 certified Organization for Environment, Health & safety. The work is to be carried out as per International Norms/Standards and in such a manner that all premises always look Neat & Clean. Similarly, the waste disposal is also required to be carried out by the Contractor in totally sealed manner without affecting the Environment.

2.3.5 Contractor shall not claim for free metro travel from one site to another.

2.3.6 The Man-power deployed by the contractor shall carry proper and valid I-Card with them while carrying out work at the sites.

2.3.7 The man power may be required to work during night hours as per site requirement for which nothing shall be paid extra. The contractor must comply with and ensure that its employees, subcontractors and all such persons working on their behalf comply with applicable acts, regulations, local laws and by-laws, codes of practice, Indian Standards, relevant labor laws and DMRC's Safety Policies and procedures which are in any way applicable to the performance of the services under this contract.
SECTION 3
TENDER PRICES, TAXATION, SCHEDULE OF PAYMENT & STATUTORY COMPLIANCE DOCUMENTS

3.1 TENDER PRICES & TAXATION

3.1.1 a. Unless explicitly stated otherwise in the Tender Documents, the contractor shall be responsible for the whole works, based on the Bill of Quantities and payment shall be made as per accepted rates based on the activities carried out as in the BOQ.

b. The rate quoted by the tenderer shall be inclusive of all duties, fees, octroi and other levies. However GST shall be shown separately in the BOQ. Any change in GST rates shall be compensated / recovered by DMRC on submission of documentary support.

3.2 SCHEDULE OF PAYMENT

a. No Advance of any kind shall be given by DMRC to the contractor for the said work.

b. Payment shall be made as per accepted rates after submission of:

➢ Payment Invoices: CGST/SGST/IGST/UGST with HSN/SAC code shall be shown separately in the Invoice.

➢ Work completion report jointly signed by the contractor and DMRC Engineer in charge.

➢ All applicable Statutory Compliance Documents as mentioned in Clause No. - 3.3 below.

c. Taxes shall be governed by existing Tax laws and payment shall be released subjected to deduction of all T.D.S as per applicable laws.

3.3 STATUTORY COMPLIANCE DOCUMENTS:

➢ Insurance policies as per GCC.

➢ Challans for EPF related period of payment.

➢ Challans for ESI related period of payment.

➢ Certificate for compliance of ESI.

➢ Certificate for compliance of EPF.

➢ Certificate for compliance of minimum wages (Annexure-A of ITT; Page No. - 29).

➢ Declaration regarding GST for deposit the same with Govt. Treasury (Annexure-E of ITT; Page No. - 34)

➢ Group Insurance policy documents for Supervisors and Engineers.
SECTION 4

INFORMATION AND INSTRUCTIONS FOR “ON LINE BID SUBMISSION”

The intending tenderer must read the terms and conditions carefully and should only submit his tender if he considers himself eligible and he is in possession of all the documents required.

Information and instructions for tenderer posted on website shall form part of tender documents. The complete Tender Document can only be obtained online after registration of tenderer on the website http://eprocure.gov.in/eprocure/app.

Tender can only be submitted after uploading the mandatory scanned copy of documents such as Demand Draft or Pay Order or Banker’s towards cost of Tender Documents and Tender Security (as prescribed in clause 1.1.1 of NIT).

The bidders are required to submit soft copies of their bids electronically on the Central Public Procurement (CPP) Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: https://eprocure.gov.in/eprocure/app.

REGISTRATION

1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: https://eprocure.gov.in/eprocure/app) by clicking on the link “Online bidder Enrollment” on the CPP Portal which is free of charge.

2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.

3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.

4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.

5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC’s to others which may lead to misuse.

6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search
parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.

2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.

2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.

4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.

2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.

3) Bidder has to select the payment option as “offline” to pay the tender fee / EMD as applicable and enter details of the instrument.

4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.

5) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be
downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.

6) The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.

7) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.

8) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.

9) Upon the successful and timely submission of bids (i.e. after Clicking “Freeze Bid Submission” in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

10) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

ASSISTANCE TO BIDDERS

1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.

2) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk.

3) For any Technical queries related to Operation of the Central Public Procurement Portal Contact at:
